“ I had worked with your mother, grandmother, and sister for years at Ferguson Medical Group. She meant the world to me. She was everything that you all talked about in her obituary and more. I loved her like she was my own mom, and she will be greatly missed.

“ So sorry to hear of Dot's death. I wanted to convey my condolences to Jimmie Lou and Terry Bell, whom I knew. I enjoyed working with her at Ferguson Medical Group. She was such a classy "attractive", and fun person to know. I passed this information on to my aunt, Thelma Tubbs Curtis, who knew Dot back in their school days. She said: Me and Dot got to ride on the float in the Cotton Carnival many many years ago. Betty Jo (Cline) Jobe was queen and we were her attendants. ha ha That was the good old days! We'll be thinking of you all in your time of sadness.
