“ Your mother was such a special person in my mother's life. They were telephone operators together and remained close friends until my mother's death in 2006. I know they had wonderful times together and my Mom (Jerri Starzinger Godwin Kassel) always talked about what a kind and generous woman Dorothy was. I'm so sorry for your loss of this wonderful woman.

“ Dear Libby, Carole, Kathy, Joe, and Ted, Your mom was a second mom to all of her Girl Scouts, and gave her time and energy far beyond what anyone could ever expect. She was even there for me when I lost my own mom, and I talked with her nearly every time I came back to Cape when I took my dad to lunch at the Senior Center. She had even offered to pick him up and take him there after he finally had to give up driving. That's how she was -- always doing for others. She was a gift, and I thank you for sharing her with us.

“ Please accept my deepest sympathy for I too know the pain of losing someone as special as a mom. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'wipe out every tear from our eyes, and death will be no more.' (Revelation 21:4) What a wonderful day that will be!
