“ My mother just told me we lost Dorothy and her service was yesterday. I was extremely blessed to be part of the Miller family while I was in high school. Dorothy was the best and always so bright and cheerful, occasionally helping us skip school to do something silly. My heart goes out to Debbie, Carla, Jackie and all the family. I wish I could have participated with the celebration of Dorothy's life and would love to see you all. Dorothy was an incredible person and I feel very blessed to have known her.

With much love,

Marti Ryan-Kinder (formerly Scholl)

“ *My thoughts and prayers are with you all.*

I was fortunate to get to know Dorothy way back in the 70's when we worked at Capitol Hill Realty. I worked with her for @ 4 years. The Moutells, Marion Scholl, Gary..we were like a family. We had soooo much fun together! Dorothy and I remained friends over the years I am happy to say. My family and those close to me will remember that I have said many times over the years that Dorothy was one of my very favorite people.

She was always cheerful, kind, thoughtful and loving. And she could always make me laugh! I know that she is heaven with Gary, Greg, Marian and all of her loved ones.

With love,

“ *Heaven became a better place Monday because of this good person, I'm sorry I was not around her much the last few years, we shared a lot of good times and memories at Realtor functions and such. She will be sorely missed.*

“ *So Sorry for your loss. Dorothy was our real estate agent for years and worked a "miracle" to get us the house we have been in the last 16 years. We saw her at Kohls recently and she was still the bright, funny and friendly person she always was. It was great to visit with her then and we admire her sunny outlook and good humor on every situation. God's Peace be with you and yours.*

“ *To my family:
I am so sad to hear of the passing of Aunt Dorothy. Whenever we came to visit she was always so kind, sweet and funny. I know she will be greatly missed. I wish we could all be there, but please know that even though we are not there physically, we are there with you in heart thinking and praying for you all. I am thankful she is resting comfortably in the Saviors arms and walking on the streets of Gold.
Love you all.*

“ Growing up, Dorothy was never my aunt, but, my older sister since our birthdays were so close. We played together, went to church together, and, after she married, was always there to give me the keys to her '55 Chevy for that all important date!

Through the years we stayed close, talking on the phone and e-mailing funnies, stories and Christian-themed devotionals. Today, I looked over several that I kept through the years, and laughed even in moments of heartache. My favorite sent several years ago from Dorothy was about the train crew who tried their best to gain approval from "higher ups" to move their train off the burning trestle quoting, "Don't let common sense get in the way of a good disaster!"

Dorothy, tonight, dear sister, rest in the arms of Jesus with Gary and Greg, your Mom and Dad, sisters and brother-in-law welcoming you home. You're not gone, just ahead of us - keep the light on, and door unlocked...

In Christ,

Bobby & Bonnie Seifert
