“ I am so sorry for your loss and even sorrier that I was out of town and did not know about your mother’s passing until yesterday. I wish I had been able to see you all. Your mother was always a lady and she and your father had a wonderful family.

“ Karen, Kathy and Kay,
I have so many good memories of your mother, my Godmother. Whether having a picnic at Castor River or just hanging out at our families’ homes, I always remember your Mother as kind and warm, with a contagious laugh and a wonderful way of making me feel special. I am so sorry we cannot attend the service—my mother has been living in St Louis with us, and fell and broke her hip last week. She is still in the hospital and is, as we all are, so sad to hear of Dorothy’s passing. Please know we are sending prayers for all of you. Susan (Lowes) Brown
