“ Doug and Audrey were wonderful mentors. During my high school years, they had me and many of my friends into their home. They led me to the Lord and every Sunday evening we would have snacks, sing, open the Bible and pray. It was what I looked forward to the most each week. It was a wonderful close-knit group of high school students. Many of these kids are still my facebook friends. Stephen and Bradley were wonderful sons. I am so sorry for your loss. I have loved and respected your parents my entire life. I would love to grieve with you in Cape, but being in Central Texas, my thoughts and prayers will have to do. Please know I will be thinking of you this weekend.

Thank you so much. I was reading this to Brad and he knew who this was before I finished reading.

“ I met Doug 2 years ago at Lynwood Baptist Church’s midweek meal, and we sat at the same table almost every Wednesday since then. He warmly and graciously welcomed me and quickly became a much-treasured friend. He was a Godly man who loved the Lord and his family, and he will be sorely missed. My condolences to his family and many friends who were, like myself, so blessed to have him in their lives.
