“ *What an impression he made on my teaching! My students had many laughs over the years as I read the "funny ha-ha's" he shared in college classes on test days. I will never forget him...truly a teacher to remember!*

“ *Dr. Drickey (Jim) helped me tremendously, particularly during my studies at SEMO State many years ago. I sent him letter on Veterans Day last year, as he had come to mind. Rest in eternal Peace, Jim. You have made this world a better place for so many of us.*

“ I am sure Dr. Drickey has a very special place in heaven. He was always there to help our family as we grew up and later as we became adults. From 1969 to the present he has had a piece of my heart. He was a professional counselor, and teacher with a heart of gold! He will be missed and remembered!
