“ Duane was doing what he loved the most on his last day. Spending time with his family and working in his yard. The greatest tribute to a persons life is how much we smile when we think about them as time goes on. I know I'll be smiling a lot when I think about the memories.

“ I am so thankful for the time I got to spend with Duane this summer having lunch at the Cape Girardeau Senior Center, especially this past week. This is a selfless, giving man who is now in the presence of our Lord. Duane has heard "Well done, my good and faithful servant. Well done." Praying for God's continued comfort for one an all.
