“ Dear Debbie and Chuck,  
I had appointments yesterday and had not read the Southeast Missourian until today.  
Thus, I did not go to the visitation or service. I am sorry that I was not there for you. Brad and I have you in our thoughts and prayers. We understand the feelings of loss you are now experiencing with the passing of your father. We had been blessed with Christian parents. We were blessed with wonderful childhood and teenage years. That foundation has helped us meet the challenges of our adult lives. Continue to cherish your many memories of your father. May your faith in God bring you peace and comfort. God's blessings and love, Rita (Heimbaugh) and Brad Weber

“ Very sorry to hear this news. I have so many wonderful childhood memories of seeing The Taylors and The Wulfers growing up and Dwight was part of those special times. As a Wisconsin native, the drive from Milwaukee to Cape was always an adventure and a thrill for the Piano family. The special times with all the relatives and playing with our wonderful cousins are memories that I will hold dear for my entire life. Deepest sympathy to the family. Phyllis Piano

“ A very nice man who received me kindly as a scared new salesperson twenty years ago. Our families sometimes never know the lives we touch so wanted to share my gratitude for his kindness. Godspeed and prayers for peace for his loved ones.
