“ Please accept my deepest sympathy for I too know the pain of losing someone as important as a dad. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and certainly wipe the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!

“ Please accept my sincere condolences. I worked with Earle during most of my years in the legislature and always found him to be a rigorous advocate for his clients. He was a pleasure to be around and you could always count on him to be honest and truthful. he set a great example for all those that were to follow.
