“ Donna, I was your neighbor many years ago on Barrywood Dr. in Nashville. As a child and friend of your brothers I remember when you and Ed started dating. Even as a child I realized you both had something very special. I'm sad for you and your families loss over Ed's passing . It's been though comforting to see how beautiful of a life you have since those many years . I thank God for that and what the King family meant to our family and always will.

“ I remember so fondly the days Ed and Donna lived across the street from me in Bent Creek Farm and those days of his motorcycling joy. Few have been better neighbors than Ed and Donna Groves. You have been missed and my heart is broken that Ed is no longer able to share his wonderful smile, his solacing words, and his gentle ways with the world. Donna, this note includes a hug and sincere condolences for you and your family. I know how much he loved you and all in his family. I am positive he is very much at rest and that you will be in his thoughts throughout eternity!

Love,
