“ I love and miss you every second of every day. 4 years later , and living without you isn't easier. I remember every thing about you. Your hair, your smile, you scent, your nose. I think I miss you more as the days go by.

*Forever your gal, Amber.*

“ Loved this wonderful woman! She made my day whenever I saw her in our "special" spot! I loved her sense of humor! I did not find out she passed until "nurse Wanda" texted me this information this evening after she saw it in the newspaper! I would have come. I am so sad! Sorry for your loss of a great woman! I will miss her. She knew I loved her the short time we knew each other! Angie Butler
