“ *Please accept my deepest sympathy for I too know the pain of losing someone as special as a sister. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and certainly wipe the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!* ”

“ To my dear Eileen, You became a substitute mother to me over the past years and I tried to be a daughter. You shared wonderful stories of your life and I loved hearing them. Times spent together were such a pleasure. Your friendship with my mother has always warmed my heart. You were both very special gals. I know you were ready to be reunited with your beloved Al. I picture the two of you in a loving embrace. You will be forever in my heart. Rest in peace in the glory of the Lord.
