“ *My memories of Johns Grandma are wonderful! That was a long time ago and a simpler time. John and I would go out to her and Reece's place out west can't remember the name of it but we would play in the creek, we also would go to Chaffee I think Reece may have still been the Mayor at that time. We would walk down town lol to get an ice cream cone She was a great person a very no nonsense demeanor! Giant heart❤️ My condolences to you all.*
