“ *The first and foremost thing that I will always remember Beth by is that beautiful pearly white smile and those eyes. She had a personality that everyone loved. Also, her bright orange MG. GOD definitely brought home one of his Angel's. We will always miss you.*

I remember Elizabeth well. We went to school together since the 7th grade. She was one of the nicest and sweetest person I have ever known. I haven't seen her since high school and thought she moved away. I see she didn't. It appears she had a wonderful life, she deserved it. Wonderful person, bless her heart. My deepest sympathies to her family.....Jim Pierce
