“ Monty and family, What a treasure your wife/mother was to EVERYONE she met! What can ya say about this special person I've called "friend" pretty much all our lives. We'll all miss her, but not like her family will!! Will be praying for all of you as you go through this hard time... I'm SO glad I got to talk to her one last time on Fri...She told me that you were taking good care of her, so thanks, Monty....know it was hard on you to see her slipping away. God's blessings on you and the family as you prepare to say your "goodbye" to my sweet friend.... We WILL see her again though!! Hugs, Judy

“ Liz's humor and joy of fun is the legacy she left with me. She loved people, she loved her family, she loved her friends. And she was much loved in return. A golf trip was so much more fun with Liz along. She will be so missed. May God be with her family at this time.
