“ Dear Family,
Although I have lived on Price Drive for the last 30 years, I never met Elsie until my mom moved to Lutheran Home Skilled Nursing a little over a year ago. Elsie sat at the same table as my mother every day.

I loved seeing Elsie's smiling face and I always tried to talk to her, even if she didn't hear me. My children and I loved seeing her in the hallway--so independent and happy. We loved her sweet little voice.

I have checked for her name every time I have ordered food online for my mom, so this evening, I was sad to notice that her name was not on the list. In this pandemic, it's the only way I know what is going on for other hallmates there. I remembered hearing her listed in prayers at Trinity last weekend, too, I remembered.

I know you have missed seeing her during these last few months, and I feel for you.

Many blessings to you and your family.

We will remember Elsie,
