“ Sorry to read of Elsie's passing. Elsie was one of my favorite students when I was giving tennis lessons for the Parks and Recreation at Arena park. She was always pleasant and a good student. She seemed to always have a smile on her face and knew how to have fun. I am sure she is in a good place. My condolences to Nancy and all of those close to Elsie.

“ Thought a lot of Elsie and Raymond. My stepfather Charles Hortter worked at Moon Dist., with Raymond. Always enjoying speaking with them. Remember seeing Raymonds motorcycle parked at Moons when we were there. My stepfather said they would have to help him back it up, it was so heavy. Remember my stepfather telling about them going on their honeymoon on his big motorcycle. Raymond hit some loose gravel on the highway and his motorcycle went down sideways. With them getting burned from the hot exhaust pipes and skinned up from the pavement.

“ *Judy and Nancy,*

I am so sorry for the loss of your sweet Mother. Although it's been many years since I've seen her, I remember her well from my days working in the Cape Girardeau Public School system. She was always so nice and had a wonderful sense of humor!

One particular memory was when all the secretaries got together for a luncheon at the end of the school year and Elsie got up and did a funny little dance while singing "Achy Breaky Heart." She had everybody laughing (as she so often did) and I always think of her fondly whenever I hear this song.

*Our prayers for peace and comfort are with you and your family.
God Bless you all.*
