“ *My wife and I took care of this little angel almost since the day she was born. it just breaks my heart no one that she's no longer going to be with us here on Earth. But deep down in my heart I know that she is in heaven singing and dancing and walking and running With Jesus and with those who have gone before her enjoying eternity with our Lord and savior. Lord Jesus for the family here on Earth I pray that you cover them with your arms and give them the peace to know that our little angel is in heaven with Jesus and is in no longer any pain praise be to God Amen* ”

My wife and I took care of this little angel almost since the day she was born and my heart is torn apart no one that she is gone. I'm going to miss her so. Yet I know deep down that she is with Jesus and she's walking and talking and having the time of her life for eternity I am praying for the family that God will give them peace for every day that they live on this Earth.
