“ There are too many great experiences to list of hunting turkeys and waterfowl with Junior. No hunting partner will ever forget his quick wit and cutting laugh. He was instrumental in creating the Bootheel Boss Gobbler chapter of the National Wild Turkey Federation in 1984 and he and his brothers and son's continued support through the years contributed greatly to making the chapter one of the top ten local chapters in the nation. Eugene will never be forgotten. As long as there is gobbling in the spring we will remember how his smile would light up the pre-dawn at the sound of the first longbeard of the morning. Salute my friend and save some of those heavenly gobblers of the rest of us.
