“ Rick and Paula, just heard about it. I cannot express what Mrs Eve meant to me. She was one of the greatest persons I have ever met. I wish I could have been by her side in this moment. But I am sure she is in heaven and full of grace. I just loved her and will never forget the day I met her and she did not understand my name (Eduardo)... So she just called me WALDO. She always had a bag of cookies to me when I was flying home for not getting hungry during the flights. She was always very caring to me and I thought she was my family while living far from my home. Love Mrs Eve forever!!!! I am in tears right now. kisses and love from her grandson from Rio de Janeiro, Waldo

“ So sorry to hear of Ev's passing. We shared a hospital room at Southeast many years ago and that is how we became acquainted. We had a good friendship even though we didn't see or hear from each other for extended periods of time. I was blessed to have known her and hope you find comfort in the fact that she gave pleasure to others while she was here.
