“ *What a wonderful, generous and loving person our "adopted mom" was! During our first two years of marriage (1962 - 1964), when I was a junior and senior at SEMO State College [We were the Sagamores then! :_)], she, Johnnie, Brenda and Jeanie accepted us into their loving arms and made us one of the family, sahrng more love with us than is experienced in many families. There was so much happiness in that family that it cannot be adetquately described in words, but Evelyn's culinary artistry in the preparation of sumptious meals was without equal. Her Sunday "dinners" more than adequately showed us her love for all of us. Her caring and loving spirit were expressed as as closely to heaven on earth as any one human can do. She was an angel on earth. I feel certain that she and Johnnie now sit in each others' presence in a place of highest exaltation as they once again share their eternal love. I can see the love in Johnnie's smile as he welcomed his dearest "George" home. We must all rejoice with them! Halelujah!*

“ *We have been out of town and Ron just found the phone message you left. Your mother was such an important part of our lives and we'll miss her, as we miss your dad. What loving people they were and so generous with that loving care. I'm sorry we weren't available to be more supportive before now. I'm still not at the house and Ron doesn't know how to retrieve phone numbers so I'll try to find one but if I'm not successful, please e-mail with a number where we can reach you! Please accept our sympathy. With love to all of you, Mary Ann and Ron*

“ Dear Jeanie and family, I am so sorry for your loss. You are in my thoughts and prayers. Miss Evelyn was a very special lady to me. My Tuesdays and Fridays will never be the same at Walmart...she was my favorite customer and I will miss her so much. In my thoughts...

“ Brenda & Jeanie: Bob & I are so sorry to hear about your loss. It does not get any easier to adjust to this. Did not know your mom was in that bad of physical health. We knew that she had a hard time with walking because of her knees, but that is all we knew. I would see Jeanie with her in Wal Mart quiet a bit, but they would be on the other side of the store so I couldn't get to you. Our thoughts and prayers are with you both and your families. If you need anything, give us a call.
