“ *I only met Evelyn shortly after moving into the Schultz Apartments - we had a number of evening gettogethers, sharing memories, and I am grateful I was able to spend a short time with her the day before she passed away. On reading the obituary, I discovered she was born on the same day as my dearest and most beloved grandmother, Hannah Rosenkoetter - to me, anyone who shares that day has an extra feather in their cap. Evelyn will be remembered always, and particularly, on each March 20.*
