“ Kenny and Jean were our neighbors for many many years on Stewart Drive in Cape Girardeau, MO. I mowed their yard for many years and she would always make me a frozen orange drink for a break. Her and Kenny would take my sister, myself and Debbie and Keith Welker, 2 other neighbor kids, out to eat around Christmas either at the Elks or Shakey Pizza. It was something we looked forward to each year! Later in life we always took our kids by their home on Stewart Dr on Halloween....it was a tradition. Even years after their passing, there are fond memories to look back on.

“ My name is Mary from Cape. My dad lived at Capetown for a year . Jean sat next to him in the dining room so I was able to visit with her whenever I had a meal with him. What a delight she was!! I loved her laugh and smile. She was one of those few people that had a sparkle in her eyes. She always brought out a smile in me. Heaven is rejoicing at her presence!
