“ Dear. Porter, and Mosley family , Please know how sorry I am for your lost . It brings back difficult memories for me and my family . I experienced a very similar situation. All I can say, make sure you live without regrets. Life doesn't make sense at many moments in our life. The pain we go through when we lose someone we love never goes away, It's the little things, the small, everyday occurrences that you'll remember. The laughs, the stories, the smiles. And even though it seems like you can never recover from your loss, it is these very memories that will help push the pain away and bring back the smiles I would also love to inspire you to trust in God he will get you through anything GOD BLESS WISEMAN,BROWN,IDOM FAMILY
