“ When I grow up I want to be just like Fern. She amazed me. Her sense of humor, positive attitude, enjoyment of people, and determination to play golf even at 94 will stay with me the rest of my life. Thank God Fern was my friend.

“ Please accept my deepest sympathy for I too know the pain of losing someone as special as a mom. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'wipe out every tear from our eyes, and death will be no more.' (Revelation 21:4) What a wonderful day that will be!

“ As a child I live next door to your mother. The creek that ran behind our houses was my playground. We always claimed the deep hole that we shared with the cows as our swimming hole. There I learned how to swim and had many a great memory. Thank you for sharing your mother with us.
