I knew Florence for about 25 years. She always had a kind, loving spirit and was always willing to help with whatever needed to be done. She and Del donated their time after retirement to helping me at the church's flower gardens. She also helped cook on mission trips to New Orleans, helped with registration at VBS and in the kitchen, and generally was available anytime. She will be missed but never forgotten.

Florence was the first person I met moving to the neighborhood 40 years ago! She brought us a cake and welcomed us to the neighborhood! She was the most Cristian person I've ever met! Del and TJ my prayers are with you and many more days as you grieve your loss! She will always be remembered for her TRUE kindness!

Sending my condolences and love to Del on the loss of Florence. I did not know Florence well but did have the pleasure of a brief visit by her and Del back in 2024 when they visited Alabama. I'm so glad we had that time.
