“ It was my pleasure to get acquainted with Floyd when he took the Internet training classes I hosted around 2010 at the Cape Girardeau Senior Center. He took to it like a duck in water and he was amazed by the almost instantaneous contact with family by emails. He was a Senior Center advocate & could be found there on a regular basis. Not only did he care for & visit his wife daily, but he could also be found assisting older seniors with meals at the Center. This was a kind, giving person who we were all fortunate to know and laugh with All the time. Being in Alaska now, I missed visiting with him in recent years. God speed, Floyd. You've earned your reward. Sending comfort & peace to his family.
