“ I knew Fran and Ken from the country club. She always has a smile and hello every time I saw her. She was a very sweet lady. Sorry for your loss.

“ Dear Sue and Ann,

When Prof Grauel and I moved to the rental house just behind the Grauel building, Frances brought us a freshly baked loaf of bread to welcome us into the neighborhood. From that moment on, Frances and I became good friends.

When Frances and Ken had finished re-habbing the house at 722 Normal Street, Frances said the house was now for sale and that she wanted me to be the first to know. Grauel and I visited the 722 house and before we left, we agreed to buy it. Which we did.

Frances and I kept in touch, and after she moved to the Chateau Girardeau, I visited her now and then, not as often as I now wish I had.

You and Sue have lost not only a mother, but a very wonderful person, but although death ends a life, it does not end a relationship; thus, through good memories, Sue will be with always be with all of us.

“ Dear Sue,

*This is Cindy Olson, Charlie Thurman's daughter. We shared many days at Chateau Girardeau 2nd floor assisted living in the last years. We were advocates for our parents and shared many of the same challenges as we wanted to give dignity and quality of life to our precious, aging parents. Your mom always had the kindest smile and Dad and I shared many wonderful conversations with her. I miss my dad so much! My condolences in your loss. It is so hard to lose our precious parents but you took such good care of your Mom. Well done!
Cindy*
