“ David and I both send our deepest sympathies. We both loved Fran, and we love you kids! I made a promise to your mom that I would be here if you need me. So if you need a shoulder to cry on I am here for you. Know that I love you all. May God be with you in your time of need and may God's blessings be bestowed upon you. Love Always, Berni

“ God bless all of you kids. You had a wonderful mother and most caring for other people. You were very blessed to have her for as long as you did. I know she is in a much better place and now with "Granny". I will truly miss her. Think of all the good times we all had and remember she loved each and everyone of you VERY much. Theres no words that can take away the pain right now. but IF you need me Roger has my number. Love you, and I will pray that you can endure life ahead.
