“ I always told Aunt Fran that she was my "favorite aunt". She didn't fall for the flattery because she would say "Karen, I'm your only aunt." She was always good to me and I have fond memories of her. My condolences to all of the family. David, thank you for everything you did do take care of her the last several years.

“ Fran Cargle was one of the nicest people I love ever met. If I went through some tough times, she went out of her way to be helpful and supportive. She was so upbeat and positive. I will always remember her.
