“ I would sometime take Fran to run errands. We always had The Beach Boys playing. When they were coming to play at the casino, she called and let me know. Unfortunately, I was spending the weekend in Des Moines, IA with my kids. If I was here, I probably would have taken her to the concert. She really was a fan. It was sweet that she thought of me.

“ Mark and MaryBeth, so many good memories of your mom at church. Her good meals on Wednesday nights, and her sitting behind me at church.
Since moving from Cape I will not be able to attend her memorial service. Will be thinking and remembering all of you in my prayers.
