“ Francis was truly a beautiful person. I have known her for many years and called her friend. I am saddened to know she is no longer walking this earth; but I am proud to know she is walking with the Savior. I will miss her smiling face and the hugs she offered to all that knew her.

“ I knew Francis from when she was attending the auction at Scopus,MO. I looked forward to seeing her there every Sat. night. We would save seats for each other on the front row so we would not miss anything especially the dolls that she loved so. She knew my granddaughter loved butterflies and she would bring her little things with butterflies on them. She was indeed a very special person and any one who had the good fortune to know her will miss her.
