“ *All of us who knew Frank know he was such a warm, lively, giving and caring man. He and Debbie were like two peas in a pod. My thoughts and many many prayers go out to all of us who will love and miss him dearly. The angels in heaven are eating good right now. Debbie has her very own guardian angel looking over her.*

“ *Dearest Debbie, I am so sorry for the loss of my beloved brother. I know what the two of you meant to one another. I am SO grateful that you shared your love with Frankie and I truly believe the time the two of you spent in Missouri was the happiest of his life. Let his memory comfort you now, know that he is not far away and will watch over you. You are in my thoughts and prayers. All my Love,  
Lynne*

“ Our Dear Debbie, Our hearts grieve your loss and we pray that God provides you with abundant support from family and friends. I considered Frank an awesome chef and I am so very thankful that he graciously shared his "Mother Sauce" with Danny and I. The days he was cooking at the nursing home was always a meal to look forward to by residents and staff. Being in the business office, I enjoyed his kind humor and smile. Danny had several times assisted in the tray line from time to time when Frank was short staffed. We are thankful to have had the opportunity to know and work with him, and have fond memories. Sincerely sharing your grief, Debbie Byrd/Payroll Danny Byrd/Transport
