“ *Dr. Leet used to come in Foulon's Drug Store where I worked behind the counter during high school and MAC. He was liked and respected by all. I have very fond memories of him.*

“ *So sorry for your loss of a fine man. Frank Leet hired me to teach at Flat a River Junior College back in 1964. It was a life-changing experience for me. Dr. Leet's guidance through those first years shaped my whole career.*

My sympathies go to Mary Ann, Greg, Randy and all the other members of your family. We have all lost a good man.
