“ Carol, Myself and David were never notified by any of the family. We would have been there for Nook's funeral. We send our love and condolences. Nook was a good man with a huge heart. He's in Heaven now. Never again no pain. Nothing but joy and happiness. Again we are so sorry.

“ Jewish Blessing of the Mourners

Those who are worn out and crushed by this mourning, let your hearts consider this: this is the path that has existed from the time of creation and will exist forever. Many have drunk from it and many will yet drink. As was the first meal, so shall be the last. May HaShem, the master of comfort, comfort you. Blessed are those who comforts the mourners.
