“ So sorry to hear about Fred. I had so much fun being around him. I,m so sad I did not go by,when I was at Cape and see him. I often think about our time in basketball practice and the we spent during the summer shooting goals. He was such a good friend. I miss him already. Vivan Reed

“ Darla, Emma Lou and I are so sorry to hear of Fred's passing. Please know that we will be thinking about you and wishing you comfort in this time of grief. Emma and I are both in bad situations ourselves now. After bringing her home from hospital rehab, I injured my back trying to take care of her and we had to put her in a nursing home and I am having procedures done on my back for severe and constant pain in it.
