“ *Dr Meier was my teachers at St.James Lutheran School in Lafayette,iN. My memories of him and Helen are many and filled with the joy of his smile and his kindness. I was also their babysitter during that time so I got to know them both outside the classroom setting.*

I know that he lived a productive and fruitful life and was a wonderful example to all of us who knew him.

Please accept my condolences as I know he will be missed. I also rejoice with you that he is praising our Lord right now and making beautiful music in heaven along with Helen and his other family members who went before him and that one day we will all rejoice together
