“ Freeman was my granduncle? His sister JoAnn is my dad's mother. I don't have much memory of Uncle Freeman but I remember a story my grandma told me about when she was a young woman and went to get ice cream with a girlfriend and Freeman Dale as she called him was with them when they passed by some young men trying to flirt and my grandma tripped and fell sliding under a vehicle parked on the street She said she was gritting thru her teeth "Freeman Dale" but it sounded like fingernail After that he was always Uncle Fingernail to me
