“ I am so very sad to hear that Garry has passed. I knew the entire family very well during the 1980's and early 1990's and always enjoyed time with Garry. He was the Host with the Most and he and Keith were always there to enrich our lives. My deepest condolences to you all.

“ My deepest, most sincere condolences to Garry's Family and Friends. I look back fondly at the many good times Garry and myself had all those years ago. Saturday Nights in the 80's weren't complete without a house party at The Greenhills. Garry always had the nicest stereo and speakers, and you could always count on Mother Greenhill screaming down the stairs "Garry, turn it doon" when Garry got carried away with the volume. Fun times, fond memories. Thanks Garry, you inspired me.
