“ *To my Aunt Shirley, Rob, Guy and Lisa, and family. I'm truly sorry for your loss. When I learned of his passing, I, like one often does when we lose someone we care about, immediately thought back to my childhood and how cool I thought it was (still do) that you lived on Morning Glory right in front of Creve Couer lake. Had lots of fun there with you guys. Now being an avid fisherman, I enjoyed having many occasions to fish with Uncle Gary. I know I'm a better fisherman for having done so. More recently, during one of our annual get-togethers, I had perhaps one of the best times just sitting with him and talking about many things. His illness, my family, Marty, and dad. I'll remember it forever as I will him. Fond memories always help me in times like these. I hope they help you all too. Rest in peace Uncle Gary. Hope we can wet a line again some day.*
