“ *Gary and Doris Jean were one of the first families we met when we moved to Cape Girardeau in 1994. He built our first house and they became our neighbors. He was a gentleman and Doris Jean was most gracious to us and our family. We were always glad to see Gary and that smile was a welcome sight. He will be missed. Our sympathy to his family and friends.*

“ I am so sorry for your loss. Even when I saw him a couple months ago, he had that big smile and laugh and I could tell how proud he was of you, Cyndy. I know he will be missed here on earth, but know that he is there watching over you and guiding you still.
