“ We have been so blessed to have cousins in our lives. Uncle RD and Aunt Norma gave us 7 cousins. They are known as the Denson Boys. We have great memories from our childhood. Mamaw and Papaw moved around alot. But every Thanksgiving all of us would cram into their tiny home and we'd get to see each other again. In the summer we'd go swimming in the closet swimming hole. Good times. Having these 7 boys in our lives there was never a dull moment! We love you Cousin Gary and all of your brothers too. Thank you for all of the memories. So many more. To the Denson Family. You are in are thoughts and prayers. We love you Cousin Sina Koval and Cousin Brenda Lee (Myers)
