“ Dear Bonnie and family,
I'm sorry we have lost touch, not because we didn't care but we gave you space now we don't even have another way to contact you to tell you we love you and are so heart broken to hear your sweet Ray-Ray has passed away.

We cherish the memories we have with him. His sharp sense of humor and his sweet loving comments will be remembered forever. I'm so happy he got to come to Las Vegas once to meet his "far away relatives".

“ Bonnie
I only learned of Ray's passing tonight(Saturday). I called Mary Edith and Eldon to let them know. I have a Doctor Appointment in Poplar Bluff Monday, but I will find a way to get there Monday afternoon.

I am so very sorry for your loss. I have thought of Ray often since my brother Gary's death. During his dad's illness I got to visit with Ray and we enjoyed our time together.
I know his dad's passing was difficult for him, and he handled it well.

My prayers are for God's love to comfort and sustain you. I am so pleased that Ray was saved and has eternal life with no more pain, sickness, or worries.

May God Bless You,

Collin

Gina, it has been many many years since we have seen one another but I think of you and your family often. Please know you are all in my prayers. I remember this little guy all those years ago and how you watched after him. I am so sorry for your loss my dear friend. May God wrap his arms around your family today and always.
