“ I knew Gary primarily through football officiating. Gary officiated football throughout Southeast Missouri for many years. He was a good official. Unfortunately, I will be out of the Sikeston area on December 27th, but my condolences and prayers are for his family. Gary always had a pleasant smile on his face when I would see him. I will miss seeing him.

“ I went to middle and high school with Gary. He was a good guy. His mom and dad would host a bunch of us at their house and we always felt welcome there. Most of us that hung out there ended up playing sports together in school and Gary was a big part of our success. My condolences to Larry and Mike, their families and to Gary's family. Scott Pool

“ *It is with great sadness that I offer my condolences to the Lasater family. I was Gary’s classmate throughout our middle and high school years, and I always appreciated his competitiveness and thoughtful nature. When I look back on those days—driving around Sonic, McDonald’s, and the outer city limits of Sikeston, Missouri, I’m reminded of how carefree and memorable those times truly were.*

Big Red may God be with you.
