“ Dear Joyce: I was very saddened by Gary's departure from this world last week. I thought of the many times that I needed a tool or some kind of help and how he was always ready to assist me in any way he could. I am glad that I was able to return the favor a time or two and be of some assistance to him. Though our conversations by the curb were never very long, I will always remember him as a good and decent man, someone who tried and did his best with the challenges that life threw at him. I hope God will comfort you and your sons in the times ahead. If you believe that I can be of any help in any way or with anything, please don't hesitate to let me know. Sincerely, Louis.
