“ I wrote a poem for Gayla and I wanted to share it here. God blessed me for having known her.

*You always praised your Savior no matter what life brought your way. You touched my heart, inspired me and brightened up my day. You prayed for me and others, you shined Christ's light of love. Now you dance and sing God's praises in paradise above.*

“ I am so sorry to hear of Gayla's passing. I became friends with her through the CBN prayer page where she was a much loved part of the community. We messaged back and forth the last few years. She was such an inspiration to me. She is dancing now and praising her savior in paradise. I will continue to keep her famoly and Sammy in prayer as she had done for me. I am better for having known her.

“ Linda, Dwayne and Gina, my heartfelt sympathies are being sent to each of you. I was saddened to hear the news of Gayla's passing. My mind instantly went back 40 years when we would cross paths, either at church or out and about. Gayle always had a beautiful smile on her face. I enjoyed being around her and her sweet spirit. I treasure the memories I have had my time with here. Know my prayers are for comfort for each of you. Our loss is heavens gain, for sure.
