“ Mary and family, just viewed the news in the paper over the web and learned of George's death. So sorry. We will always remember the fun times we had with you all in Perryville and then in Poplar Bluff. Our paths were separated in 1982, but we have thought about you and George and the kids often. We will always remember the time we stayed with you all in Poplar Bluff until we found us a home there. If at all possible let us know your address and whenever we get back up to visit family we would love to visit you.
