“ Patti and Karen, my sister Debby and I and our family lived next door to you all when you were about seven or eight or so! Debby and I were high school / college age. My mom and dad just loved you girls! Your dad was a hard-working truck driver! And Mary was always so sweet. I hope that she's doing well. I know this has to be hard on her. I'll be praying for your family!

“ Dear Karen, Patti and family, I was sorry to learn of your father's death last week. I know how close you all are and how much you took care of him at the end. You were fortunate to have him for so many years as was he to have such devoted daughters.

Losing a beloved parent is difficult but he will always be with you. Cherish the memories and stay close to each other.

“ *Mary, Kathy, Susan, Karen, Patti and Jacob:
So very sorry to hear of George's passing. He was always such a good neighbor to my mom and dad, willing to pitch in whenever help was needed. I know they valued and respected him. I am glad that you had so many years together and know all will miss him. May God bless you with the peace and comfort that only He can give.

“ How do you start to tell George's Family how very special he was.....I had the pleasure of meeting this man when I was just 14 years of age, from that till now which has been 55 years, this man has welcomed me and my family into his home, just like I was one of his...always laughed and said I was the 5th Pyrtle girl.....never in all the years I walked in his door did he ever say anything negativealways welcomed me with love and kindness....he was a man of so many talents, too numerous to mention, nothing he couldn't do and nothing he didn't do for his loved ones, he was a man that men could be measured by, not too many would measure up to him. Loved him like my own dad.....for oh so many years....he will be so very much missedI. Hope he knows and now I want to tell his family how very much his and his wife's love has meant to me and how much of a difference they have made in my life.....My heart breaks for the loss of such a wonderful loving man.....Heaven is lucky place to have gotten him....He was a good man! He had a heart of gold....! i was so very lucky to have known him and had him in my life!
