“ I was very sorry to read about your Mom's passing. My Mom & Dad always thought a lot of your parents. They always went out of their way to make everyone feel welcome when you walked into the meat market.

“ Blake & Jan, I was saddened to read of the death of your mother. I have fond memories of your family and mine together at your Grandma and Grandpa's. The running around outside and swinging in the swings while the BBQ cooked are fun, childhood memories. We were amazed when you called your parents Rich and Georgia, because you all were the only ones we knew that called their parents by their first names. It didn't take long before we thought nothing about it. Heaven now has another sweet lady that I'll always remember with a smile. May God bless you as you begin your grief journey. Charlotte

“ *Blake Take comfort in that she had a long happy life. Remember the good times, anyone loved is never lost but lives in our hearts. I still have the hat she knitted me back in school, I wear it for the Christmas holidays. My thoughts are with you .*
