“ Gary I am sorry for your loss. There will be a void never to be filled. When I think of those I have loved who have passed on, I remind myself they are now living in God's perfect creation - maybe like the Garden of Eden. We will be out of town tomorrow evening but know you and yours will be with you in thoughts and prayers. There's safety in the arms of Jesus.

Aunt Georgie, you will be missed by your loving family. You were an angel in disguise all those years by keeping up with Uncle Sonny and being the best wife and mother to your children, grandchildren and great-grandchildren. I will always remember your sweet smile and soft voice. God bless you sweet angel 🙏
